By Anne Whiting

Intro: A Asus A Asus

## Verse 1

Asus A  
I held onto Your words  
Asus A  
I claimed Your promises  
Asus A Asus A  
I followed them with all my passion  
Asus A  
But it looks like You've forgotten  
Asus A  
In the dark forsaken  
Asus A Asus A  
All my hopes flee, gone in the wind

## Pre-Chorus 1

E G  
But I know, yes I know  
A  
You far too well  
E G  
But I know, but I know  
A  
You far too well

## Chorus

D F#m  
But ('Cause) I know that deep within  
D E  
And I know deep inside  
F#m B  
There's a flame burning bright  
D E A  
And I know You love me deep inside

(Asus A Asus)

## Verse 3

Though I can't feel Your touch  
And darkness hides Your face  
I know that You are near to me  
I know You will sustain me  
And though it seems You've dropped me  
In the darkness I say, "I believe!"

## Pre-Chorus 2

E G  
'Cause I know, 'cause I know  
A  
You far too well  
E G  
'Cause I know, 'cause I know  
A  
You far too well

Yes, I know  
E A  
You love me deep inside
